2 **MRS. GRULLEMANS.** This is a perfect white Tulip; it has the correct Darwin form, straight, stiff and tall stem; flower petals are thick; it is without question one of the best white Tulips ever offered. \$1.30 per doz.: \$10.00 per 100.

3 **BELLE JAUNE.** Without a doubt the finest and strongest dark golden yellow Tulip, of beautiful form, producing long, egg-shaped blossoms of enormous size. \$1.50 per doz.: \$11.50 per 100.

4 **CITY OF HAARLEM.** One of the largest and brightest red Tulips, being an intense dark scarlet with inner base slate-blue. Very striking when flower is open. \$1.50 per doz.: \$11.50 per 100.

Hodges, S. C.

April 23, 1952

Dear Van Bourgondien: I want to tell you about my Tulips ordered from you 2 years ago. Being a cripple I was not able to separate them, I had to leave them in the ground all that time. They are Pride of Haarlem. They are the most beautiful Tulips I have ever seen. People have come from far and near to admire them and ask from whom I ordered them. They all say they have never seen Tulips so large, tall and such lovely color. I started with 50 bulbs and now they have multiplied to 160. They are all as large and beautiful as when first ordered. I don't believe they could be lovelier on your own farms. They have been a constant joy to me and I thank you for your lovely bulbs and courteous attention at all times. I ordered a few McArthur Daffodils for late flowering and I am delighted with them. I think it the largest flower I ever saw, and such strong stems and last such a long time. You will hear from me in time for more fall bulbs before planting time. With best wishes for your continued success.

Sincerely,

Gentlemen: I was extremely pleased with all the bulbs I received from you last fall.

I have never seen such beautiful Tulips, and I think they were among the large ones in Kansas City. All of my friends and neighbors marveled at the size and gorgeous color of them, and I did too. I bought the Eclipse and Symphonia, and this double flowering Tulip measured five inches across.

All my success I attribute to your bulbs as the ground I planted them in was the worst possible soil. I remarked in the fall when I planted them that if they could even break through the ground that I would consider them good strong bulbs. Then when they turned out as they did, I certainly recommended your bulbs to everyone and would be sure that any bulbs my friends or I ordered from you would be first quality and would give excellent results.

Yours very truly,

MRS. NORMAN L. WILSON

Dear Sirs: Last year I ordered Tulip bulbs from your get acquainted offer advertised in The Flower Grower Magazine. The bulbs arrived promptly and in fine condition. I was lax in planting them, however, and conditions were not at best when finally they were beneath the ground. Considering procrastination I expected little or no results. To the contrary, the blooms were spectacular and people who have been gardening for years stopped to comment on the size, height, form and sturdiness of the plants. The blossoms at full bloom measured an average of eight inches in diameter and were most durable—lasting for weeks. The credit goes to your superior bulbs for superior they must have been to survive my mistreatment and still give startling blooms.

Thank you for all the undeserved compliments I received for my lovely Tulips. I hereby turn them over to you whose fine bulbs earned them.

Sincerely yours,

GWYNETH SUSAN

Gentlemen: I had a great thrill last evening at the Delaware County Horticultural Show of which I am a member.

I won a first prize on my entry of "Red Emperor" Tulips.

Since they were your bulbs I wanted you to know of it. There were many entries of the Tulips, but my entry was superb.

I purchased these bulbs from you about four years ago—they have been in the ground ever since and seem to be prettier as the years go by.

Since so many of the members inquired as to where they were purchased, I would like to have your latest catalog and price list. I can't tell you how really magnificent all my Tulip bulbs from you people have been. Thank you.

Very truly yours,
MRS. FREDERIC M. RATH

Dear Sirs: Last summer I purchased some Tulip, Lily and other bulbs from you, and I wish to say for those flowers that have bloomed, I could not expect anything better, they were the envy of all my neighbors.

I am sorry I did not get to enjoy my Red Emperor Tulips because the squirrels ate the flower buds off them, but the two that survived this destruction were beautiful. The same thing happened to my Parrot Tulips. I only had 2 Yellow Sunshine and 1 Therese blooms for the same reason.

Several of the Tulips had twins, that is 2 flowers from branching stalks, but they were good.

Here is a peculiar one, I believe it was Indian Chief (Breeder). One stalk came up, then it separated into 2, then from one of the stalks another one branched off and then from the same stalk came another, so that I had 4 flowers from the one bulb. The best of all were the Triumph and Lily type Tulips. Hope to be able to buy a few more this year.

Yours truly,
JOHN C. CULLUM

I have purchased bulbs from you once in a while as I could afford them. I remember ordering some about 25 years ago originally.

Dear Sirs: Last fall I ordered from your catalog the Rainbow Collection No. 3 of Tulips. I just want to tell you I have never seen such beautiful Tulips in my life. They were even prettier than the pictures.

I also ordered the dwarf Iris on page 21. Also the Crocus Special Offer "29" and every bulb bloomed and were just as pretty as the Tulips, and everyone has admired them so much and want to order this fall.

Sincerely,

Dear Sirs: Received my Tulips and the Estate Lily bulbs and I'm very, very much pleased. They came in fine shape and they are the best bulbs I've ever purchased. I have over 500 Tulip bulbs in my garden and I'm looking forward, next spring, to a much better assortment with the lovely bulbs I got from you. Thanks for your promptness and good bulbs.

Sincerely,

Gentlemen: Will you please send me your flower bulb catalog. I wish to compliment you on your Daffodil bulbs. I bought several potted ones this year from Mr. Weiss at Holboro, who has a greenhouse and who had potted your bulbs, both Tulips and Daffodils. They were the largest and most beautiful bulbs I have ever seen.

I have a small greenhouse only 12 by 18 ft. but have had a successful winter. Your pots of bulbs were outstanding and admired above all others—hence my desire for your catalog so that I can order my own this fall.

Sincerely yours,
MRS. WILFRED HOWARD
